ABOUT THE BEARCAT BANDS

The Bearcat Bands are a comprehensive campus band program providing educational opportunities, artistic expression, and leadership development programs to students through music.

Ensembles of the Bearcat Bands include the 250-member spirit band program (Marching Band and multiple Basketball Bands), multiple Concert Bands, Jazz Ensembles, various Brass, Woodwind, and Percussion Ensembles, beginning instrumental lessons, and various educational clinics. Our Marching Band integrates a contemporary Color Guard and Twirlers. We achieve tradition through innovation and are passionate about our band, campus, and city. Our membership is open to every enrolled student at the University of Cincinnati and satellite campuses as well as students attending Greater Cincinnati Collegiate Connection schools. Participation in the program is by placement audition. We have opportunities for everyone: those with considerable experience, those with none, and those in between.

MISSION

The Bearcat Bands provide access to musical excellence and create an educated, informed citizenry deeply connected to their humanity.

VISION

For the University of Cincinnati to be the most musical campus in the United States.

CORE VALUES

We value **pedagogy** because we welcome all students with a desire to be taught according to educational best practices in an innovative environment.

We value **integrity** because we welcome all students that are morally, ethically, and legally upright.

We value **precision** because our mutual success is considerably determined by how well each individual prepares and presents.
